CAPITALS: LONGER PASSAGES INVOLVED
Normal : Suitable for all boats
Italics: Suitable for all Shallow-draft boats

All members are invited to join as many events as possible. Please watch the Notice Board for details of each event or contact the organiser. When appropriate, briefing meetings will be held by organisers well before a cruise. All members who have any possible interest are encouraged to attend.

The above programme is subject to change. Any changes will be posted on the cruiser notice board and circulated to members by email. Members who, at short notice, wish to make a passage and would like to cruise in company are encouraged to circulate details of their trip. Please contact me **Nigel Clark 07738427703** or the Cruising Class Captain if you would like this to be arranged..

We often have requests from skippers for crew and from crew. Again please contact me or the cruise/rally organiser if you require crew or would like to crew.

Although the Cruising Section welcome the exchange of ideas between members and encourage cruising in company to provide good fellowship and fun, and to assist members wishing to expand their sailing horizons; it is however, the responsibility of each skipper to review: weather forecasts, tides, type of passage being undertaken, hazards en route, the experience of the crew and the capability of the vessel before setting off and to be satisfied that as far as possible a safe passage can be undertaken.
