Following our successful rally in January we are Solent bound again. The main gathering will be in Yarmouth on Saturday as guests of the Royal Solent Yacht Club. For those who can make the extra day we will be meeting in Lymington on Friday rafting up at the Town Quay and dining out at The Ship Inn. This will allow for mainland crew changes and on Saturday a free sail in the Solent before making for Yarmouth where we will be berthing on the walk ashore pontoons.

Please sign up as soon as possible to give me an idea of numbers. There is no cut off for bookings but if you would like to dine with us at the Old Ship in Lymington and/or the Royal Solent YC I will need to confirm numbers no later than Wednesday 15th February.

**All welcome! If you would like to join a crew for the cruise please let me know and I will find you a berth on board one of the boats.**
