Thank you for requesting membership of the Club. Unfortunately our Full membership is closed for this year and reopens on 1st October 2010 for the 2011 season.

You may apply for Temporary Membership on the condition that you apply for full membership in October, this enables you to keep your boat at the Club at our normal storage rates and participate in the Club's summer race series.

Temporary Membership subscriptions fees are pro rata of the 2010 Membership rate which are as follows:-

Full	£276.00
Spouse/partner	£ 69.50

Please note that your temporary membership only runs from Easter until 1st October in the current year. You are required to remove your boat from the yard by this date, unless you are competing in the Clubs Open winter racing series. Cruiser Winter storage is not available for temporary members.

The Clubcard enables you to access the gates and clubhouse doors, it is also a cashcard this enables you use it for purchases over the Bar and Restaurant where you are entitled to a 10% discount
