Dear Competitor

Welcome!

2018 - another year of sailing at Parkstone, with a lot to look forward to: great series racing from Easter to Christmas for cruisers, keelboats and adult dinghies; a buzzing youth programme; a range of open events; lots of training and the PYRA racing programme. And, of course, we can now enjoy our new clubhouse.

The Easter Series starts our main racing programme on 31 March-2 April, with series racing starting from 7th April.

*We are running our two fantastic sailing weeks again: **Youth Week** from 5-10 August; and **adidas Poole Week** from 26-31 August. We will also run the J24 Southern Areas, open meetings for the Laser Masters, Laser Radials, Flying Fifteens, Optimists, RS200s, Darts, the Merlin Rockets' Silver Tiller and the RS Summer Championships.*

In addition to training run by different fleets, and a very successful Ladies sailing group, the Club runs training courses for Powerboat Level 2, Safety Boat, Dinghy Sailing and Race Coaching for youth and adults.

Remember, that you can also rent sailing boats from the club by the session; the club owns a fleet of Picos, Toppers, Optimists, Fevas and Fusions; and many fleets have a boat that can be used by people who want to try out a class before committing to purchase.

Come and enjoy the best quality racing and sailing in the harbour!

RMYC: Thursday evenings Open Cruiser, F15, Shrimper. XOD Autumn Series (Saturday & Wednesday)

Notice of Race

(all series racing, Monday evening Cruisers open series)

Rules: Racing is governed by The Racing Rules of Sailing 2017-2020, the rules of Parkstone Yacht Club, a separate Course Book and Sailing Instructions 2017 Edition and any amendments as published.

Organising Authority: Parkstone Yacht Club is the organising authority for all the series racing specified in "Club Racing Diary" above.

Dates and times: The specified dates, times and events within this document may be subject to amendment. Please see PYC website for updated information.

Eligibility: Any member of the RYA or a registered club is invited to enter for any of the PYC open series and events. Other than in a race designated as an open event, competing boats shall be steered by a member of Parkstone Yacht Club; however the helm may be taken temporarily by another hand. Eligibility for trophy races shall be determined by the conditions of that trophy as detailed in the Parkstone Yacht Club Schedule of Cups and Trophies, and/or local Class Rules.

Entry Form: All boats must complete an Entry Form for the relevant series (together with a Junior Waiver Form, if applicable) either manually or via Webcollect is available for that class.

Measurement: Each boat shall hold a valid measurement/rating certificate for the relevant class.

Tallying: All dinghy competitors shall wear a tally when launching, sailing or recovering their dinghy. (Dinghy competitors includes Flying Fifteen, XOD and Dart)

Personal buoyancy: All competitors under the age of 18 years shall wear adequate personal buoyancy at all times whilst afloat. It is strongly recommended that all adult dinghy sailors shall wear adequate personal buoyancy whilst afloat. All Flying Fifteen, XOD, Shrimper and J24 competitors must have buoyancy aids or lifejackets for each crew, helm or member on board. Cruiser and J24 competitors and boats must comply with ORC category 4 regulations or equivalent.

Insurance: All boats must have valid third Party Liability Insurance in excess of £3,000,000.

Trophies: An extensive range of trophies are presented for open events, typically to the first three places. Reference should be made to the Club Handbook to establish the trophies to be awarded for a specific race.

Risk Statement

Rule 4 of the Racing Rules of Sailing states “The responsibility for a boat’s decision to participate in a race or to continue racing is hers alone.”

Sailing is by its nature an unpredictable sport and therefore involves an element of risk. By taking part in any event at PYC, each competitor agrees and acknowledges that:

1. They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in such events.
2. They are responsible for the safety of themselves, their crew their boat and their other property whether afloat or ashore.
3. They accept responsibility for any injury, loss or damage to the extent caused by their own actions or omissions.
4. They are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extreme weather; that there is a crew sufficient in number, experience and fitness to withstand such weather and that their safety equipment is properly maintained, stowed and in date and is familiar to the crew.
5. The provision of race management teams, patrol boats and other officials and volunteers by the organisers does not relieve them of their own responsibilities.
6. The provision of patrol boat cover is limited to such assistance as can be practically provided in the circumstances, particularly in extreme weather condition. Further, in the event that any assistance is rendered to a competitor, no liability for any loss, damage or injury to the competitor, and/or the boat and its equipment is accepted either by the club or the crew of such patrol craft.
7. It is their responsibility to familiarise themselves with any risks, regulations and/or bye-laws specific to sailing or racing in Poole Harbour and Poole Bay including:
 - a. Tidal conditions in Poole Harbour, which are complex with areas of shallow water common as well as very fast tidal flows in parts of the harbour.
 - b. The area is used by a wide variety of craft, including large commercial vessels restricted in their ability to manoeuvre, a chain ferry in the harbour entrance and, at times, high volumes of leisure boat traffic. The Convention on the International Regulations for Preventing Collisions at Sea (COLREG) 1972, applies to all these craft including racing yachts.
 - c. The Yacht Racing Criteria issued by Poole Harbour Commissioners, (<http://www.phc.co.uk/downloads/latest/Yacht-Racing-Criteria-2016.pdf>) which place requirements on all those involved in yacht racing in Poole.
8. Parkstone Yacht Club strongly recommends that all sailors wear personal buoyancy whilst on the water (and requires this for sailors under 18 years), as failure to do so significantly increases the risks inherent in sailing. Personal buoyancy should comply with RYA Prescription to RRS 40.
